# Join Bill Millar in the next crucial step toward a regional public transit system.

- Learn from models of successful regional systems
- Accessing federal funds
- Join community and political leaders in this call to action

**William W. Millar**

*President, American Public  
Transportation Association (APTA)*

By popular demand, William W. Millar, president of the American Public Transportation Association, makes a return visit to coastal Alabama. He was a featured presenter at the first Envision regional public transit summit held in February 2005. He began his career in public transit 30 years ago first managing transit in Pennsylvania and in 1977 became executive director of the Port Authority of Allegheny County. As APTA president, he is internationally recognized as a leader in public transportation and has chaired and served on numerous governing boards including the Transportation Research Board, the Transit Cooperative Research Program, Intelligent Transportation Society of America, and The Transportation Technology Center, Inc.
